#### INDEPENDENT PRACTITIONER'S REVIEW ENGAGEMENT REPORT

To the Members of Big Brothers/Big Sisters of Quesnel

We have reviewed the accompanying financial statements of Big Brothers/Big Sisters of Quesnel, which comprise the statement of financial position as at August 31, 2019, and the statements of changes in net assets, revenues and expenditures and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Practitioner's Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on these financial statements.

#### Basis for Qualified Conclusion

In common with many charitable organizations, Big Brothers/Big Sisters of Quesnel derives revenue from donations and fundraising activities, the completeness of which is not susceptible to satisfactory review procedures. Accordingly, verification of these revenues were limited to the amounts recorded in the records of Big Brothers/Big Sisters of Quesnel. Therefore we were unable to determine whether any adjustments might be necessary to donations and fundraising revenues, excess of revenues over expenditures, and cash flows from operations for the year ended August 31, 2019, current assets and net assets as at August 31, 2019.

#### **Qualified Conclusion**

Based on our review, except for the possible effects of the matter described in the *Basis for Qualified Conclusion* paragraph, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of Big Brothers/Big Sisters of Quesnel as at August 31, 2019, and the results of its operations and its cash flows for the year then ended in accordance with the Canadian accounting standards for not-for-profit organizations.

### Report on Other Legal and Regulatory Requirements

As required by the Society Act (British Columbia), we report that, in our opinion, the Canadian accounting standards for not-for-profit organizations have been applied on a basis consistent with that of the preceding period.

### **BIG BROTHERS/BIG SISTERS OF QUESNEL**

#### **Notes to Financial Statements**

#### Year Ended August 31, 2019

#### 1. Purpose of the Society

Big Brothers/Big Sisters of Quesnel (the "Society") is a not-for-profit organization incorporated provincially under the Society Act of British Columbia. As a registered charity the Society is exempt from the payment of income tax under Section 149(1) of the Income Tax Act.

Big Brothers/Big Sisters of Quesnel is a local organization dedicated to helping children develop their full potential through friendship and mentoring programs.

#### 2. Summary of significant accounting policies

#### Basis of presentation

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNFPO).

#### Description of funds

The General Fund reports the revenues and expenditures related to program delivery and administrative activities.

The Capital Fund reports the assets, liabilities, revenues, and expenditures related to the Society's capital assets.

The Restricted Fund reports externally restricted funds received from British Columbia Gaming Commission and fundraising through gaming events. The fund reports the assets, liabilities, revenues and expenditures as specified by British Columbia Gaming Commission criteria.

#### Revenue recognition

Big Brothers/Big Sisters of Quesnel follows the deferral method of accounting for contributions.

Contributions related to general operations are recognized as revenue of the General Fund in the year in which the related expenses are incurred. Restricted contributions received from British Columbia Gaming Commission and earned through gaming activities are recognized as revenue of the Restricted fund.

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Fundraising revenue is recognized in the year when the related expenses are incurred in the General Fund. Donations received are recognized as revenue in the General fund when received.

Restricted investment income is recognized as revenue in the year in which the related expenses are incurred. Unrestricted investment income is recognized as revenue when earned.

#### Measurement uncertainty

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

### **BIG BROTHERS/BIG SISTERS OF QUESNEL Notes to Financial Statements**

### Year Ended August 31, 2019

#### 2. Summary of significant accounting policies (continued)

#### Cash and short term investments

Cash and cash equivalents consist of cash on hand less outstanding cheques and deposits with a maturity of less than three months at the time of purchase. When outstanding cheques are in excess of cash on hand, the excess is reported in bank indebtedness

#### Capital assets

Capital assets are stated at cost or deemed cost less accumulated amortization and are amortized over their estimated useful lives on a straight-line basis at the following rates:

Office equipment 10%

The Society regularly reviews its capital assets to eliminate obsolete items.

Capital assets acquired during the year but not placed into use are not amortized until they are placed into use.

#### Donated services and materials

The Society and its members benefit from and are appreciative of donated services in the form of volunteer time, which amounted to approximately 5,000 hours during the fiscal year. Because of the difficulty in determining their fair value, contributed services are not recognized in the financial statements. During the year, the Society received donated materials and prizes for fundraising events with a fair value of \$12,600. These donations have not been included in the statement of revenue and expenditures.

### Financial instruments policy

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

Financial assets measured at amortized cost include cash and accounts receivable.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

#### Accounts receivable 3.

#### 8. Deferred contributions related to capital assets

Deferred contributions related to capital assets represent restricted contributions with which some of the Association's assets have been acquired. The changes in the deferred contributions related to capital assets balance for the year are as follows:

| Balance, beginning of year   |
|------------------------------|
| Contributions deferred       |
| Amounts amortized to revenue |

#### 9. Director remuneration

The Society does not provide remuneration for the work done by the board of directors.

The Society does not provide remuneration to any of its employees in excess of \$75,000.

#### 10. Financial instruments

The Society is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the Society's risk exposure and concentration as of August 31, 2019.

#### Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Society is exposed to this risk mainly in respect of its receipt of funds from its customers and other related sources, long-term debt, obligations under capital leases, contributions to the pension plan, and accounts payable.

There is no change in the risk exposure from the previous period.

#### Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency rate risk, interest rate risk and other price risk. The Society is mainly exposed to interest rate risk on its long term investment.

Unless otherwise noted, it is management's opinion that the Society is not exposed to significant other price risks arising from these financial instruments.

#### 11. Economic dependence

The Society received approximately 35% of its revenue from the Province of British Columbia in the form of a grant and gaming funds. Should these be discontinued, management is of the opinion that continued viable operations would be doubtful.
